**REQUEST FOR CORRECT FILING RECEIPT**

Sir:

Applicants respectfully request a corrected filing receipt listing co-inventor Michael John Smith. Applicants believe a petition for correcting inventorship is not required because the executed declaration filed on April 12, 2007, listed both inventors.

Where the first-filed executed oath or declaration was filed on or after December 1, 1997 and sets forth an inventive entity which is different from the inventive entity initially set forth at the time of filing of the application, the actual inventorship of the application will be taken from the executed oath or declaration. See 37 C.F.R. § 1.41(a)(1). A request under 37 C.F.R. § 1.48(a), (b), or (c) will not be necessary. See 37 C.F.R. § 1.48(f).

Applicants also enclose an updated Application Data Sheet listing both inventors, and a marked-up copy of the filing receipt .
